

STRONG WOMEN NEEDED TO EMPOWER SURVIVORS OF DOMESTIC ABUSE

S.O.D.A. Ambassadors

The mission of the S.O.D.A. Foundation is to empower and uplift women and adolescent girls to overcome the challenges and fears associated with domestic abuse through our national network of women who serve as sponsors, coaches, educators and direct contact referrals. S.O.D.A. is a “next step up” from support groups where the women are offered free educational and holistic workshops referred to as “S.O.D.A. Shops” to help women discover their value and purpose, renew their spirit and to rebuild a roadmap to lead to their success.

The workshops will be held in various locations facilitated by the Ambassadors where survivors will receive mind, body and spiritual strengthening and support that will empower them to become self-sufficient, self-reliant and revitalized. Using a concept that is similar to AA meetings, where an individual has a sponsor to keep them from “falling off the wagon”, a S.O.D.A. member will have a “Revitalization Coach” to be accessible via phone, email, and person-to-person, offering encouragement and guidance that will augment her safety and dissuade her from returning to her abusive relationship.

By using the power of the social networks, partnering with other organizations and using all of the resources in our communities, we can build a strong network and help victims become survivors and survivors become phenomenal women, just like you! If you have a website or blog, we would ask that you place a link to our site for more information. There will be free webinar trainings i.e., *The Dynamics of Domestic Violence and How To Help Victims*, *How To Facilitate Webinars and Workshops*, *How To Have Successful Fundraisers and Certification for teaching The Life Enhancement Course, *Reconditioning the Mind, Body & Spirit**. These webinars will be for you to take online at your own pace. You will be notified of conference calls with other Ambassadors to share experiences and information.

The membership fees for Ambassadors are \$12 per month or save \$24 by paying \$120 upon acceptance into the organization. The fees will be deposited directly into the S.O.D.A. Foundation account. The allocation of these funds will be disclosed in our Treasurer’s report for your review. As the Philanthropy side of the organization grows and begins to disburse funds to grantees and individuals, Ambassadors will be included in the allocation process. The final decision will be made by the Board of Directors.

As an Ambassador, you will be eligible to participate in the annual retreat in 2015 to a beautiful location where you can invite a survivor that you are coaching. More details on the retreat will be available by the end of the Winter Season.

We hope you will consider becoming an Ambassador with SODA.

Your application will be reviewed by the SODA Board of Directors. We will contact you to advise you of your status for acceptance.
